Re:	Invitation for Market Research Study	Pages: 2, including this page

Schlesinger Associates, an international market research company, is conducting a paid market research study among ***Rosacea Patients*** regarding a study on **Rosacea**.

Participation in the research involves attending an in-person interview with a research professional that will last approximately ***1 hour***. The interviews are being scheduled for **Friday June 13th** and there are various times available throughout the day. The study will be held at our ***Galleria Area location at 1455 West Loop South, Suite 500***. Participants in this study will be compensated **\$100** in consideration for their time and opinions.

We are asking for your assistance in this recruit, ***we would compensate you, your office, staff members or any charities of your choice \$100*** for every person who qualifies and participates. To ensure that compensation is paid to correct person(s) remind patients to give your name when they call in. If you have any questions please call ***Victoria at 713-830-9940 ex. 209***. Patients will be screened per client specifications to qualify.

Participants are scheduled as they call, and studies often fill up quickly, so do not delay in responding if you are interested in this study.

Thank you in advance for your attention.

Please note: this invitation does not constitute confirmation for participation. To participate in the research, you must call the number above and be scheduled for the study by phone. Following this process, a separate confirmation will be sent to you via e-mail or fax.

Schlesinger Associates has enacted a privacy policy in order to protect and safeguard personal information collected from Consumers, business individuals and entities, healthcare professionals and patients relating to health information. All personal information is kept confidential and only utilized for research purposes.

This fax is sent for survey research purposes only. No sales or other commercial activity is involved in this communication. In the event you do not want to receive faxes in the future, please advise us by telephone at our toll-free number (866-861-0395), by faxing, by sending this letter back with such intention or by a separate written communication.
