

ARE YOU DEALING WITH RED PIMPLY SKIN?

IT COULD BE ROSACEA

If you are experiencing persistent redness with bumps and/or pimples, you may qualify for a research study for people with Rosacea

To qualify, you must:

- ◆ Be over 18 years old
- ◆ Have a diagnosis of moderate Rosacea

Participants receive:

- ◆ Study related health evaluation
- ◆ Rosacea assessment
- ◆ Investigational study medication

No insurance is needed
